Resident Participation Plan

***12000 N. 90TH STREET
SCOTTSDALE AZ 85260***

Westminster Village Inc is engaging the residents in its planning and decision-making processes, as well as its marketing and outreach activities. The residents will be invited to participate in the process whether through resident meetings or surveys. As an agency receiving federal financial assistance, Westminster Village Inc made the following community outreach efforts:

List all resident meetings or resident hearings that the agency conducts. List all publications, resident announcements. Include dates, frequency, samples of fliers, newsletters, brochures.

In the upcoming year Westminster Village Inc will make the following community outreach efforts:

Westminster Village Inc. Resident Association meeting is being held on the second Tuesday of every month. (1:30pm-3:30pm) Next meeting will be on July 14, 2026

Resident Meetings:

- (1) Resident meetings are scheduled to increase the opportunity for attendance by stakeholders and the residents. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a resident meeting or resident hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Resident meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

Westminster Village Inc submits to the City of Phoenix annually an application for funding. Part of the annual application is public notice, which includes a 30-day resident comment period.

WESTMINSTER VILLAGE INC.

Limited English Proficiency Plan

The LEP requirement has been suspended per Executive Order #14224 issued 3/1/2025. LEP materials will be updated once new guidance is received.

Non-elected Committees Membership Table

A sub recipient who selects the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

☐ Westminster Village Inc does NOT select the membership of any transit-related committees, planning boards, or advisory councils.

Monitoring for Subrecipient Title VI Compliance

☐ XX Westminster Village Inc. has no subrecipients for Title VI compliance.

Title VI Equity Analysis

A sub recipient planning to acquire land which displaces persons from their residences and businesses to construct certain types of facilities must not discriminate based on race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. "Facilities" in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

Note: Even if facility construction is financed with non-FTA funds, if the subrecipient organization receives any FTA dollars, it must comply with this requirement.

Westminster Village Inc has no current or anticipated plans to develop new transit facilities covered by these requirements. No facilities covered by these requirements were developed since 1988.
